CO-MANAGEMENT AGREEMENT

Co-Management Agreement between Zack Hall, MD PLLC and Youth Haven Services

Zack Hall MD PLLC and Youth Haven Services have entered into a Behavioral Health Co-Management Agreement.

A Co-Management Agreement is a contract between two types of medical providers that helps them find ways to work together to help their mutual patients experience their care in the best ways possible. This includes always being available to talk to one another about their patient's care or helping each other assist the patient with care access issues. A Co-Management Agreement helps us do our job well, and helps you, the patient, receive excellent care.

By agreeing to manage our patients together, Zack Hall MD PLLC and Youth Haven Services can help you have the best and most complete care.

Open Communication

Your provider at Zack Hall MD PLLC, and your mental health services provider with Youth Haven Services agree to always update one another on important information, so your care plans are simple and easy to access.

Open Access

Patients of Zack Hall MD PLLC have access to same-day mental health services with Youth Haven Services, and we offer the same to patients of Youth Haven. This way you can get the care you need when you need it!

Care Coordination

Zack Hall MD, PLLC and Youth Haven Services will always work together to help you have access to the support that you need. Whether it is a referral to someone in the community or assistance with community services or prescriptions, we are a team united to help you experience the best whole-person health that you can.
